Time to get walking again!

Walking in Sussex https://www.walkinginengland.co.uk/sussex has loads of walks to download and print, free, it also has books of walks, details of walking groups in the county and much more. Whether you want to walk on your own or with a group all the information is there in one place.

John Harris (who maintains the website) said 'There is so much walking information on the web but it is difficult to find. Walking in Sussex (part of the Walking in England website) has brought it together in one place so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you'.

With walks from half a mile to twelve miles plus long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.
So home or away, check out the websites and get walking!

A JOURNEY THROUGH LENT

Lent is a significant season in the Christian year – it is a time of self-reflection to consider ones failings and resolve to live a life more akin to the teachings of Jesus Christ. Lent lasts for just over six weeks leading up to Easter.

Traditionally it was a time of fasting from certain foods such as eggs, meat, fish and fats. Nowadays people might give up a luxury food, such as chocolate, or an activity such as using social media or drinking alcohol. It is called Lent in English because it is the time of the year when days are lengthening in the northern hemisphere. Like Easter, Lent falls on different dates each year.

The first day of Lent is Ash Wednesday, so named because of the practice whereby the priest takes some ash (made from burned palm crosses distributed on Palm Sunday the previous year) and marks a cross on the forehead of those attending a church service on that day. This practice is a symbol of remorse for past wrongs. During Lent, many Christians use special studies to guide their times of personal prayer and reflection. In Ashburnham a series of Lent meetings are planned throughout March (see note elsewhere).

The idea of fasting around the time of Easter goes back to the days of the early Church 2,000 years ago. For some years after the resurrection of Jesus Christ, Christians fasted from all food and drink between Good Friday and Easter Sunday – marking the period between His death and rising from the dead. Lent, as we now know it, has its origins about 900 years after Jesus. There was international agreement that there should be a season of prayer and seeking forgiveness lasting 40 days – plus Sundays – leading up to Easter Sunday. The 40 days reflect the time Jesus spent in the desert contemplating His future life and ministry.

The fourth Sunday during Lent is Mothering Sunday. In England in the 16th century it was an occasion to appreciate the motherly nature of the Church. More recently it has become a time to honour mothers.

The last week of Lent is Holy Week, which commemorates the final days before Jesus' execution on a cross. It begins with Palm Sunday which marks the day Jesus rode into Jerusalem on a donkey. It was a day of triumph when crowds of followers and supporters waved palm branches and laid them on the ground in front of Him. In many churches, Christians are given small palm crosses to remember the day. These are the crosses that are burnt the following year to provide ashes for Ash Wednesday.

Finally, in Holy Week, as Lent draws to an end, some Christians mark significant days and events such as Maundy Thursday, when Jesus ate His last meal with His followers and was then arrested; and Good Friday, when Jesus was put on trial and executed. Lent ends with Easter Sunday – the day Christians celebrate Jesus rising from the dead.

More details about what is happening locally during Holy Week and Easter will feature in the April Parish Magazine and as is always the case, anyone is welcome to come along. In the meantime, have a blessed and meaningful journey through Lent!

God bless, Revd Gary

Ashburnham Parish Church
Annual Parochial Church Meeting (APCM)
Sunday 2nd April in the Stable Block/Prayer Centre (adjacent to the church)

Every year, churches hold an annual meeting, where they get to see the church accounts, hear reports of all the activities that have been going on over the past twelve months, and elect people to serve in various capacities in the church. The Ashburnham annual meeting will take place in the Stable Block/Prayer Centre this year (as the Church Hall remain out of use) on **Sunday 2nd April** after the church service (at around 11.20 am). Everyone is welcome to attend, but only those on the electoral roll of the church will be entitled to take part in the various elections. For more details about the meeting, or nomination forms for Churchwardens, PCC and Deanery Synod members, please contact David Attwood, APCM Secretary: davidattwood197@gmail.com

Plough Service

It was great that so many people, of all ages, were able to enjoy the recent Plough Service and Lunch at Ashburnham Village Hall, to celebrate the beginning of the agricultural year and to give thanks to God for His generous provision and enduring faithfulness. It was especially nice to have local ploughing champion, Colin Young, join us! Besides blessing a traditional plough, two vintage tractors featured too! This was a real community gathering with different people contributing to both the service and the tasty lunch afterwards – thank you to everyone involved, especially to Tina French for organising this event. £212 was raised for the Royal Agricultural Benevolent Institution (RABI) and the Farmer's Community Network (FCN).

Confirmation

We are hoping to have a Confirmation Service this year. Confirmation marks an important point in a person's Christian faith. For those of us who were baptised or christened as babies or children promises were made on our behalf by our parents and godparents. These promises related to belief about God as Father, Son and Holy Spirit and Confirmation provides an opportunity to affirm those promises for oneself, as a young person or adult. Also, though not obligatory, sometimes those from other churches who have subsequently joined a Church of England congregation, also choose to be confirmed, as a sign of their commitment to the Church as well as their faith in Christ.

If you are interested in finding out more about Confirmation and what's involved, or wish to explore the Christian faith further, please contact Revd Gary (01424 612324 or 07749 904887) who would be glad to chat with you.

Lent 2023 Who Then is This?

LOVE LiFE LiVE LENT TRANSFORM YOUR WORLD

Lent provides an opportunity to reflect and to 'take stock' of our lives in relation to God. The 40 days represent the time Jesus Himself spent fasting and praying in the wilderness before He began His public ministry. This year St Peter's, Ashburnham, is hosting a five-week Lent Course entitled 'WHO THEN IS THIS?'. These informal meetings will take place on Thursday evenings during Lent, between 7.30 pm and 9 pm in the Stable Block/ Prayer Centre, (adjacent to the church) With a mix of Bible study and discussion the course will help us understand the significance of how the Bible's Old Testament relates to the New Testament, especially regarding Jesus and His death and resurrection at Easter. The Course will focus on some of the key names in the Old Testament, some of whom you might not expect! Over five weeks we will explore the connection between *Eve, Melchizedek, Joseph, Moses and the Queen of Sheba*, with Jesus.Anyone is welcome to come along to these informal and informative meetings. A course booklet will be provided. For more information, please contact the Vicar, Revd. Gary.

Prayer and Pastoral Care for our Villages

These will be offered for prayer on a regular basis and dealt with in the strictest confidence. Ashburnham Church is open daily for private prayer too.

Parish Council News

Our spectacular wildflower verges are safe for another year at least. Two years ago we were able to designate two stretches of verge as worthy of protection from cutting until after seed dispersal because we were able to identify the wildflowers. Last year a wildlife protection measure was introduced which meant that no verges at all were cut until the autumn. We have just heard from East Sussex Highways that the wildlife protections scheme is on offer again and so the parish intends to sign up so that all our verges will be spared from cutting until autumn. There is a downside which is that in areas where there is only bracken it is likely to become a nuisance and possibly a hazard too. Any uncut verges which represent a hazard will be cut on request to Highways.

A below inflation increase in hire charges for the pavilion is set to take effect from the 1st April 2023 and the village hall will follow suit. The increase is around 5% and the fee for a session of either morning, afternoon or evening will increase from £64 to £70. Parishioners will pay half that so the increase will be from £32 to £35. Village organisations who currently pay £19 will pay £20.

It won't be long until the annual village meeting – constitutionally it is the annual parish meeting. So we need to have one for each parish and as usual we aim for the Thursday nearest St. George's Day. So please save the date of Thursday 20th April 2023 – from 7 pm in the village hall.

All meetings are in public and members of the public are encouraged to attend. There is an agenda slot near the start of the meeting for members of the public to address the Council. The agenda is published online at the village website three clear days before the meeting and hard copy is posted on the notice board at The Chapel. Minutes of meetings are published on the village website.

Ron's Ramblings.

After all the shenanigans of Covid, we managed to get abroad twice last year after a three year gap. The first was back in May when we attended our Goddaughter's wedding in Toulouse. First day was the Civil ceremony held in the magnificent Capitol building in front of the local officials followed by a delightful meal in a local restaurant.

Now this is the bit where decorum flies out the window and we start discussing toilets. I've been in many toilets around the world in my lifetime but this particular establishment came up with a cracker. On entering I looked around and thought that someone had stolen the urinal as there was only a sink to be seen. Turning round, I went out just to make sure I was in the right place, as indeed I was. Back inside it dawned on me that the 'sink' was indeed the urinal but it was mounted at the height that sinks are normally at. It was at this point my mind drifted back to schooldays when you and your mates competed to see who could pee the furthest up the urinal slab. Sorry ladies, this is all probably going over your heads. (Now that is an unfortunate phrase) . Anyway I managed in the end but god help if you were a bit vertically challenged.

Two days later I was confronted with the opposite. A hole in the floor with places marked out for your feet. At least at this establishment they had the good grace to provide handles either side of the cubicle to hang on to and to help propel you out the door when flushing. You had to be quick or risk wet feet. Oh, and the light didn't work. Who would have thought that going to the toilet could be such an adventure ?

Toilets I have known.
The long drops on the hop farms of my childhood. Being locked in for three quarters of an hour in a restaurant toilet in Lake Orta before they managed to remove the door. Declining the offer of help from a rather camp waiter in Ostende. And my favourite. Hitch hiking to Liverpool in the 60's on a Friday night after work to spend the weekend with the future Mrs K. Arriving in the early hours of Saturday to catch up on sleep in the toilet cubicles of Lime Street station. The things a youth does for love…….

Garden and Nature Notes

As March begins we can really begin to feel that spring is in the air! I am writing this during February on a day which started with thick fog but once that burned off was bright, sunny and mild with clear blue skies. We have had some cold starts but some beautiful afternoons, just warm enough to sit outside with a cuppa listening to the birdsong.

March brings the return of some of our migrating birds including the Chiff Chaff whose song heralds spring for me! More Chiff Chaffs are over wintering in the UK these days but their numbers are boosted by summer visitors arriving.

After a fantastic show of Snowdrops - particularly on the verges and in the churchyard at Penhurst, other spring flowers will start popping up along the roadsides later this month including Cuckoo Flower, Early Purple Orchids and Blackthorn in the hedgerows. Now that our village verges are being cut at times to benefit the wildflowers we hope to see an increase in the amount and diversity of wildflowers and I will be out and about trying to keep a record of the variety of flowers growing in our villages.

March is a busy month in the garden, lots of annual seeds can be sown this month. Don't forget there is a difference between Hardy Annuals - which can put up with cold weather and so can be sown outside in early spring where you want them to flower and half hardy annuals which won't survive a cold spell and are either started off indoors or in a greenhouse and only planted out once the soil and weather have warmed up later in the spring/early summer. Great half hardy annuals include Cosmos, Cleome and Zinnia. Don't get tempted to plant things out too early if there is a mild spell, cold weather and frost can quickly come back and kill off all your seedlings, wait till all risk of frost has passed before planting out.

Last year I experimented with sowing some hardy annuals including Cornflower and NIgella in the autumn. They came up and put on some growth after sowing, survived the winter just fine and flowered early the following spring. We quite often start off all our seeds in the greenhouse at Ashburnham Place because we have rabbits to contend with in the garden and it helps to grow plants on a bit so they can better withstand attacks! If you're ever visiting the Orangery you can always pop down to the Prayer Garden where we have our greenhouse and have a look in to see how things are coming on.

I cannot believe how quickly January and February have gone and in 25 days we will be putting our clocks forward an hour and Spring will be round the corner.

Tragically I was chatting to a friend of over 30 years about Jesus and my friend told me there was plenty of time to think about asking for forgiveness and turning to Jesus and at the moment he wasn't worried because the Bible says the last shall be first and the first shall be last. Matthew 20 v 16 My friend obviously isn't a Christian but he has read the Bible and seems to know it quite well. But how much time does he have?.....

The reason I am telling you this is because my Brother had a nasty fall a couple of weeks ago and is now not in a position to make such a commitment, thankfully he is already a Christian but it has set me thinking how we take it for granted that we have plenty of time to ask for forgiveness and to turn to Jesus, but we just do not know what lays ahead of us and anything could happen that could stop us making that vital commitment. My friend thinks he has plenty of time to commit to the Lord, but he too could have a fall or worse he could die and then it would be too late and because he refused to turn to Jesus he will have committed himself to hell.

None of us know what is round the corner and if we wish to have eternal life with Jesus we have to make that commitment NOW whilst we are able to. If you would like to hear more about making that commitment and what it actually entails there are many people in the Chapel or St. Peter's who would be happy to answer any questions you may have. You can ring or email me or Revd. Gary and we would be happy to talk to you or put you in touch with somebody you know that can answer your questions.

I would be happy to host a series of "Any Questions" at my home or any place you would feel comfortable, re the above if you feel it would be helpful. Please think seriously about whether you want to come to know and love Jesus, the only person that can give you eternal life with him. If you learn to trust Him, He will also guide you through life and I can assure you from personal experience that He always hears our prayers and answers them, maybe not quite how we wanted but always in a way that is best for you, because He loves you!
