CHAPEL NEWS

Our first Healing Service on the 11th September was very well attended and several people received Healing. I am hoping that they will be brave enough to stand up and tell us at our next Healing Service so I can tell you about it. Our Harvest Service was a joy to everybody that came. The Chapel looked lovely with God's gifts arranged so beautifully. Tea was a real banquet and we all had our fill and still had food left over! As last year we stayed at our tables for the service and sang lots of well known harvest hymns with Rhod Jones reminding us of God's goodness between the hymns. Those of you that know Rhod will realise that in his line of work (keeping the gardens of Titsey Place looking their best) he realises just how much we rely on the sunshine, warmth and rain to make things grow and flourish. All of which are given to us by our faithful and loving God.

We raised £238 for Water Aid which was slightly less than last year but still will be very much appreciated.

As you read this the weather has turned to winter and we can expect, cold winds and frosty nights which of course we need to kill off harmful bugs and freshen the soil for the next harvest. Farmers have already ploughed and planted up fields for the spring harvest but as with ancient tradition St. Peters and the Chapel will be holding a joint Plough Sunday Service on the 8th January to ask God's blessing on our ploughs and crops which will be planted in the spring.

We have our last Healing Service this year on 13th November, led by Revd. Eric Delve whom I am sure many of you will have heard of. This promises to be a very good evening and we do hope many of you will be able to join us at 6-30 p.m

November 2016 – Bi-Lingual Wedding

We recently had a lovely and unusual wedding at St Peter's in that it was held in two languages - English and Spanish. The bride was from Spain and the groom England, and both had worked at Ashburnham Place.

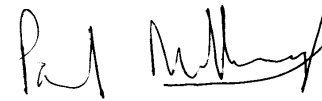

I began planning thinking it would be easy, but actually it proved to be quite complicated. Do you translate everything for instance? How many words do you say in English before you hand over to the translator? I was surprised how many issues came up.

It is a legal service and therefore it is the vows made in English that are binding in law, but it was great that the couple and their friends and family could each hear the service and sing the hymns in their own "heart" language.

A wedding service normally takes about 40 minutes but in this case it lasted 1 hour 10 minutes because we were effectively reading the whole service twice. One unexpected and humorous moment came when I declared the couple "husband and wife" and they kissed. Immediately the translator repeated the words in Spanish and they kissed again!

Jesus loved a wedding and the one we have a record of in the Bible is at Cana in Galilee which was probably held in the Aramaic language of the day. The two friends getting married were about to suffer the embarrassment of running out of wine. Jesus helped them by turning water into wine.

Our native language is important to us but God will always understand us without words in whatever language.

Pastoral Care for Ashburnham

“Peace I leave with you; my peace I give to you. I do not give to you as the world gives. Do not let your hearts be troubled, and do not let them be afraid.” — John 14:27

Sometimes we face particular crises in our lives and we need help and support. As a Church St Peter's seeks to reflect the healing compassion of Christ, and through our Pastoral Care team we aim to provide comfort and support, to those who are sick in hospital or at home, or recently bereaved, or who are isolated through a lack of mobility or old age, during times of physical, emotional or spiritual need. We can offer contact with a member of our pastoral team who can visit, as well offering prayer, home Holy Communion or hospital visiting if required.

We firmly believe that prayer does have an effect, and we welcome requests for prayer. We have two prayer points – one outside under the main Welcome notice at the foot of the church pathway and the other inside the church entrance door. There are cards and pens available for use. You are also welcome to contact myself as vicar or a member of the pastoral team direct. Requests will be prayed for on a regular basis and held in strict confidence.

Please get in touch with us for an initial discussion if you would like our help.

MI News

It has come to that time of year when MI are starting to look for big end-of-year finales. The movers and shakers at Sky sport are always pushing us for more sporting action – it's relentless, so a couple of events are being planned.

Amidst the doping scandals surrounding Sir Bradley Wiggins, our local gents will once again be "steroid free" but still bursting with energy as they tackle the northern half of the Cuckoo trail, as challenging as any tour de France leg! Ron King will wear the yellow shirt. Watch out for a blow-by-blow account next month.

There is also some breaking news on the ten pin bowling front. We are planning another night open to all on Saturday 3 December. We will bowl first at the Eastbourne Bowling Centre and then have a meal afterwards. I will endeavour to get everyone there on the right night- something that I singularly failed to do last year. I still wake up in a cold sweat over that one!

The Grounds and Gardens at Ashburnham Place

We are hosting a fantastic illustrated concert on 10th November featuring soprano Susanne Mecklenburg, Pianist William Hancox and the photography of Gareth Davies. The evening will take you on a tour through some of the music and ideas that inspired Capability Brown, the times in which he lived and the influence his work as extended over the past three centuries. The concert will include much-loved music by Back, Handel, Purcell, Arne and Mozart. The performance starts at 8pm with refreshments (included in the ticket price) from 7.30pm. Tickets cost £18 in advance or £20 on the door. Ring 01424 892244 for tickets.

Two fluffy female rabbits looking for a new happy home, come with a hutch & extras. Lively and fun, they are used to a fair amount of space for digging & exploring - might be able to provide wood/ wire for an enclosure.

All free for an enthusiastic owner with the time to enjoy them!

Fees are charged on a sliding scale to ensure this service is affordable. Appointments take place within the beautiful setting of Ashburnham Place. Parking is free and wheelchair access is available to both our therapy room and formal gardens.

Hello from up at the Retreat. We are starting to get into a Christmassy mood here and guests are starting to make purchases from our sales table with gifts in mind. Our 2017 calendars are selling well. The quality of the photography (mostly Jay's) is fantastic – arguably the best calendar yet. We are selling them this year for £6.00 if you collect them from the Centre. We also have lots of cards, hand-made gifts and other goodies for sale as well.

The sun and the rain have done the trick and we have had a healthy harvest of apples in our orchard. The juice is selling again at £3 a litre or £15 for 6 litres. Look out for our stall at the WI Christmas Fayre on 2 December. Thank you!

Pot hole and Post spotting

At the end of September I went around the lanes with Sean our new Highways Steward and we looked at the areas that will be needing attention soon. We were assured of some action in the coming months. I think the worst patch of tarmac in the parish is at the Ponds Green end of Brownbread Street. This has been put in for re-laying before but it was turned down. I explained to Sean that he would be carried down Brownbread Street on the shoulders of locals if he could get that job done for us! Costain have taken over the contract for East Sussex Highways and, at the moment, they are seeking to go the extra (pothole filled) mile to please, so I will be pressing for some action in the weeks to come.

Although the pot holing season is mostly a winter affair as the water and ice take their toll, looking after our finger posts is an all year round pursuit. Thankfully, there is now a growing band of folks who have offered to get their bucket and sponge out and occasionally pamper our lovely wooden signs. We now even have a "Post pampering posse" that has been constituted in The Pound.... A sort of "workers collective" of local residents who are willing to look after their post! There are now just four left to be adopted and cared for:

1. Herrings Rd near Lakehurst Lane
2. Brigden Hill
3. Mansfield Cross
4. Near Slivericks

Let me know if you can help with any of these.

Finally: fly tipping. It has not been a good year for the parish in this respect and some areas regularly suffer from this anti-social behaviour. If you spot anything, there is a direct number at Rother DC to ring: 01424 787000. They respond pretty quickly so please call them if you are aware of any tipping. Don't think "someone else will, so I won't bother". Better reported again than not at all.

Parish Notes

Stephen Hobday. His name like that of his brother Walter will live as long as the Empire stands, as one of her noblest sons. Lovely and pleasant in their lives, in their death they were not divided. How are the mighty fallen in the midst of battle! This second blow has fallen on Mr and Mrs Ben Hobday of Bunce's Farm. On 8th October, Stephen "leading his men" was killed instantaneously by a shell and passed from death to joy unspeakable. Parted by a few weeks from each other, their mutual love and admiration, their loving companionship is now welded together by the unbreakable bands of Eternity.

Another dear friend has been taken from us whom we all knew and loved, Alex Creasey. For a long time we hoped that God would spare him to us. He was wounded...everything that could humanly be done for him was done. On Sunday, October 1st, he received the Holy Communion and on the following Wednesday he quietly passed away without pain. His last words were, "I have done my duty, I am happy". Search where you will, you will not find a better living man or one whose place it will be harder to fill amongst us and in our hearts.

SAFARISEAT

The all-terrain wheelchair project

Uji is a social enterprise founded by a small team of award-winning engineers and inventors, one of whom is Ashburnham local, Cara O'Sullivan.

For the past few years, Uji has been on a mission, learning how to empower people with disabilities in some of the most poverty-stricken corners of the world.

The organisation recently developed SafariSeat: a revolutionary all-terrain wheelchair. It is designed to be manufactured in developing countries and create sustainable local employment.

SafariSeat is a low-cost, highly durable wheelchair which gives users better access to education, employment and social inclusion.

How can you help?

This month Uji has launched a crowdfunding campaign to raise funds and get SafariSeat into production across Kenya.

Please help the campaign by sharing the following website with your friends and family:
www.safariseat.org

If you are keen to find out more about SafariSeat please email hello@safariseat.org or visit the SafariSeat facebook page where you can experience interactive 360 videos inside the workshops where SafariSeat is made in Kenya.

Parish Council News

Local news

The Remembrance Day service will be held on Sunday 13th November, 10.50 am at the War Memorial. The service will be led by Revd Paul McVeagh, and refreshments, provided by Gill Ratcliffe and Carol Lovett, will be available afterwards inside the pavilion.

Planning Permission for the new village hall has seemed tantalisingly close for a very long time. Now, the Parish Council has appointed a planning consultant whose task it is to bring the application to a successful conclusion. Mike Pickup of Town & Country Planning Services has been appointed and will act as agent. Bernard Baker remains the scheme architect.

Roadworks advance notice – Darwell Hill and other parts of the road in the Netherfield area between Battle and Heathfield will be closed for much of January 2017 for resurfacing.

Issues

Rural broadband – if your provision of broadband is by BT please check your speed and send details with the first line of your address plus post code to the clerk. A number of local parishes are collaborating, with some support from our M.P., in compiling data which can be used as a stick with which to beat BT. A number of initiatives are afoot to expose the failure of the county broadband programme to do very much to help large numbers of households to achieve an acceptable internet speed.

Aircraft noise – have you noticed how it has increased this summer? The parish council has become a subscribing member of Gatwick Area Conservation Campaign (GACC) which is lobbying for action to change the aircraft holding (stacking) patterns now in force which have resulted in much more aircraft noise over the parish.

Dates of next meetings

Council meeting: Wed 9 November 2016 and 11 January 2017 at 7.30 pm in the Sports Pavilion.

Planning Committee: Wed December 14 2016 at 7.30 pm in the Sports Pavilion if there are any new planning matters to consider. Please see the parish website for up to date information.

Members of the public are encouraged to attend these meetings and there is an agenda slot near the start of the meeting for members of the public to address the Council.

Planning applications are now being posted on the parish website rather than here.
